COMING UP: UNUSUAL SHELTER

As Bahkti Ziek and Mark Goodwin were enjoying a New Mexico nightfall last summer, they received the news that Mark had won a Pew Foundation Fellowship for his sculpture! They'll be returning to New Mexico this summer with plans for some unusual shelter--as Mark will confide in us for the next issue.

COMING UP: WE'RE HISTORY--IN THE BEST SENSE

Deborah Curtiss is working on a history of GSAC to be printed in whole or in part in our next issue. Your recall is important to her, whether of uplifting experiences or interminable meetings. Those in the building can often intercept her wheeling to the Shop Rite on weekends, those outside can phone 438-5759.
